PERFORMANCE

Real Food, Real Energy!

Welcome to the world's first
golf-specific performance
energy bars, the answer to
Back Nine fatigue!

With Back Nine fatigue affecting 95% of all golfers, **SSP:Golf Performance Bars** keep you energised and focused so that you can perform at your best while others are lagging!

Sports Specific Products: Golf (SSP:Golf) is proud to introduce you to the world's first performance nutrition energy bars, designed specifically for golfers.

ENERGY: With our unique formula, **SSP:Golf Performance Bars** give you the perfect blend of simple and complex carbohydrates, slowly releasing energy and correctly fueling your body.

- Long Term Energy
- Improved Focus
- Better Performance
- Satisfies Hunger
- Used on all Tours
- Delicious
- Real Natural Food

Even if you've only playing a quick nine holes, **SSP:Golf Performance Bars** are the perfect accompaniment to your game.

DRIVE

**NEW
MULTIBOX
NOW
AVAILABLE**

Each product contains herbs such as Siberian Ginseng & Ginko Biloba which improves focus and concentration allowing you to make the right decisions from tee to green.

PERFORMANCE: Made with the finest Belgian Dark Chocolate Chunks and Cocoa or the finest blueberries and cranberries, along with the focus enhancing herb Ginkgo Biloba.

Drive is designed to give you, the golfer, that extra boost needed during your round to help top up your energy levels.

Whatever your level, Drive gives you an energy boost!

Whatever your handicap, **SSP:Golf Performance Bars** give you the edge!
